Day 2 Prince William Sound 26 Glacier Cruise | Coach | Alaska Railroad

Depart Anchorage by coach for an adventure into the exciting world of Alaska's glaciers. The 26 Glacier Cruise travels over 140 miles into Prince William Sound. Watch for playful sea otters, harbour seals, kittiwakes, bears, whales or mountain goats. Get face to face with these towering masses of ice, so close you can "hear" the glaciers move and gaze at their brilliant blue hues. On the 26 Glacier Cruise, you'll see several types of glaciers, including Alpine (hanging), Piedmont and Tidewater. Glacier calvings (when broken pieces of ice fall into the water and become icebergs) are normally seen on each cruise. Back in Whittier, board Alaska Railroad's Glacier Discovery train for the final leg of the tour to Anchorage. (Lunch is included onboard)

Day 3 Anchorage to Stillpoint Lodge | Private Charter Floatplane Flight

This morning meet your driver for a private transfer to Lake Hood Floatplane Base. Board your charter flight for the scenic flight over the Kenai Peninsula to the coastal waters of Kachemak Bay. Your pilot will pull alongside the Stillpoint Lodge dock where you will be met by the lodge host. Experience diverse adventures at the lodge: embark on guided hikes, navigate the waters through sea kayaking and paddleboarding, observe nature with bird and whale-watching, or explore tide-pools. For a serene retreat, indulge in massage therapies and rejuvenate with yoga sessions

Day 4 - 5 Stillpoint Lodge | Choose 1 of the following excursions*Option 1. Flyout via Floatplane or Wheeled Plane: Bear Viewing*

Depart on a one-hour scenic flight across scenic Cook Inlet to the Alaska Peninsula and the largest brown bear population in the world. Land in a remote mountain lake or river in Lake Clark National Park or Katmai National Park depending on the time of summer, locations vary according to the bears' food sources, and they follow the salmon as the fish make their way from the ocean upriver to spawn.

Option 2. Saltwater Fishing: Halibut or Salmon

Step aboard right at our dock for a full day of fishing in style with our professional and personable crew. The combination of halibut and salmon fishing is the perfect way to enjoy two types of fishing experiences in one day. Spend half a day fishing for halibut then the other half targeting a variety of salmon species. Anglers may also catch rockfish, pacific cod, and lingcod depending on the location.

Option 3. Boat, Hike and Kayak: Glacier Lake Kayaking

Embark on a unique Alaskan adventure: boat to a trailhead, then hike 3 miles to where our kayaks are stored on Grewingk Glacier Lake. From there you'll take a guided Alaskan kayak tour toward the crystal blue ice and have the adventure of a lifetime. Paddle amidst icebergs and shorebirds as you approach the face of this ancient glacier. The valley is full of wildlife including moose, black bear, mountain goats and a wide variety of birds.

Option 4. Boat and Bike: E-Biking Adventure

Journey by boat 35-minutes with the E-bikes onboard through a scenic ocean passage full of wildlife, mystic islands, intriguing rock outcroppings, and majestic mountains. Then disembark for a guided, 10-mile electric-assisted bike ride along a remote coastal road that leads to the charming village of Seldovia.

Option 5. Boat and Hike: Grewingk Glacier Lake

Embark on a memorable journey via kayak or water taxi to a secluded trailhead. Guided through a mile of scenic terrain, reach a stunning iceberg-laden lake. Marvel at the majestic Grewingk Glacier backdrop, while immersing in the valley's breathtaking beauty, meandering rivers, and towering mountains. (3-5 hours | Trail Rating: Easy-Moderate)

Option 6. Boat Cruise: Wildlife Photo-Safari

Kachemak Bay, boasting the National Estuarine Research Reserve, teems with vibrant biological life, spurred by unique water currents that circulate nutrients and marine life year-round. This richness sustains predators, including sea mammals, within the bay. Hosting numerous threatened and endangered species, the bay witnesses the graceful presence of orca, minke, and humpback whales. Around Halibut Cove, myriad aquatic beings often surface, delighting visitors with unexpected greetings.

Option 7. Alaska Culture Experience: Homer or Seldovia

Discover the heart of Alaska in Homer or Seldovia, two pivotal maritime communities offering an authentic look into the daily lives of Alaskans. Delve deep into the rich culture and witness firsthand the mechanisms of these essential coastal towns. Embrace the allure of Alaska, as its breathtaking landscapes and magnificent wildlife promise an unforgettable journey.

Back at the lodge you'll enjoy recounting the day's adventure during daily cocktail hour, over your gourmet dinner or later in front of the fire.
