DETAILED ITINERARY

Day 1 Juneau to Gustavus | Flight

Departing from Juneau fly over the incredible Inside Passage to Gustavus where you'll transfer to Bear Track Inn. Your afternoon and evening are free for activities such as national park talks, sea kayaking, biking or salt water fishing. Later tonight, enjoy a 4-course gourmet dinner at the lodge, after which you can bask in front of a walk-around fireplace. The lounge also boasts overstuffed suede couches, handmade tables, hand-crafted chandeliers and lighting fixtures, including two moose antler chandeliers. Everything has been hand picked to compliment the building. (Dinner is included today)

Day 2 Glacier Bay Cruise | Cruise

Today you'll take a Glacier Bay Cruise to the face of the calving Margerie and Grand Pacific Glaciers, rising 76m above the waterline and stretching another 30m below the water. Several whale species feed extensively in the bay, including the endangered Humpback whales and the threatened Steller Sea Lion. Thousands of harbor seals breed and nurture their pups here, while Minke and Orca whales and Harbour and Dall's porpoises feed in the park's productive, near-shore waters. After the cruise, transfer back to Bear Track Inn. (Breakfast, lunch & dinner is included today)

Day 3 Whale Watch Cruise - Evening flight Gustavus to Juneau | Cruise / Flight

Today you'll take a cruise aboard the 45' M/V TAZ into Alaska's most famous whale feeding grounds: Icy Strait and Point Adolphus. Observe Humpback, Minke and Orca whales yet again, plus other marine mammals like Steller sea lions, sea otters, Dall and Harbour porpoises. You can also observe Bald Eagles, Puffins, a variety of sea birds, and occasionally an Alaskan Brown Bear strolling on the beach. After the cruise, transfer back to the airport for your return flight (Breakfast & lunch is included today)
