Juneau Shore Excursion | Whale Watching and King Crab Station

2024

Alaska Shore Excursions | Day Tours

Juneau to Juneau

INTRODUCTION

Juneau has a population of around 65 whales that roam the nutrient-rich waters looking for their seasonal feast. Your guides and captain are well-versed in locating Humpback whales, leaving you to stand outside on the deck, take in the fresh air and see them breaching from a distance. The tour provides you with binoculars to enjoy during the tour for enhanced viewing pleasure. Following your whale watching portion, you will disembark and make your way to Juneau's charming waterfront district to enjoy a generous meal at the renowned King Crab Station.

****Whats Included:**** - Whale watching cruise with onboard naturalist - State of the art 48-passenger jet boat customer designed for Juneau whale watching with large windows - Outside viewing deck and an amplified hydrophone system for listening to whales communicate under water - Binoculars are available - Round-trip transfers from the pier - Red King Crab, with sides of coleslaw, seafood chowder, and baked bread - Soda, beer, and wine available
