DAY 9

Denali National Park Entrance to Fairbanks | Alaska Railroad

**MAP****DETAILED ITINERARY**

The below itinerary reflects our recommendations for this specific trip. This itinerary is also available in the reverse direction.

Day 1 Anchorage | Arrival

Upon arrival in Anchorage transfer at your own cost to your hotel, the rest of the day is at leisure to enjoy the sights.

Day 2 Anchorage | Floatplane Fly-in Bear Viewing Excursion

Experience an unforgettable half-day guided tour to witness Alaska's black and brown bears in their natural habitat. Your adventure begins with a scenic float plane flight from Anchorage, taking you southwest to one of several prime bear-viewing locations—Redoubt Bay, Katmai National Park, Lake Clark, or Chinitna Bay—depending on the season and where the bears are actively foraging for food. Once there, you'll have the rare opportunity to observe Alaska's magnificent brown bears up close as they fish, forage, and interact in their untouched environment.

Day 3 Anchorage to Girdwood | Glacier Dog Sled Heli-Tour

Explore Anchorage this morning on a private tour before traveling to the mountain town of Girdwood. Following Turnagain Arm with stops to look for wildlife and take in the beauty of Chugach State Park, you'll board a helicopter for a glacier landing & dog sledding tour – the best way to experience Alaska! Returning to the heliport you will be transferred back to Alyeska Resort, with the rest of the day at leisure. We have included air tram tickets for the ride to the peak of Alyeska.

If time allows, stop at Exit Glacier where a short and easy walk provides an up-close and personal view of a magnificent glacier. Upon arrival in Seward, you'll be transferred to your hotel. (Lunch is included today)

Day 5 Seward | Kenai Fjords Northwestern Fjord Cruise

Today we have arranged for you to take an all-day Kenai Fjords Cruise.
