INTRODUCTION

The Great Ice Bear Adventure is undoubtedly the most diverse and holistic wildlife viewing package offered anywhere in the world for polar bears seekers. It combines three nights at our Dymond Lake Ecolodge, where many of the Arctic's most famous residents are seen and photographed on foot, with a one-day Tundra Buggy® tour in Churchill. Great Ice Bear takes place during prime polar bear season in October and November, when polar bears congregate in large numbers on the coast of Hudson Bay as they wait for freeze-up and the beginning of their annual seal hunt. The population of Churchill skyrockets to approximately 2,500 at this time, but the remoteness of Dymond Lake Ecolodge will help you escape the crowds while experiencing the most unique and interactive polar bear experience anywhere.

On clear nights, you may also have a chance to view one of the spectacular aurora borealis displays common at this latitude.

Bedtime is at your leisure. Staff monitor the Lodge area all night so be prepared to have your sleep cut short by a nocturnal visit from one of the great ice bears (or by one of our dazzling displays of northern lights! (Breakfast, lunch & dinner included)
