DETAILED ITINERARY

Day 1 Winnipeg | Arrival

Known for its friendly and welcoming spirit, Winnipeg is a diverse multicultural city with a rich and varied history. An aboriginal trading center prior to the arrival of Europeans, Winnipeg was at the heart of the country's fur trade and instrumental in developing Canada's gateway to the west. Home to a grain exchange that once rivaled the largest markets in the world, Winnipeg's architecture and neighborhoods reflect the profound character of this small prairie town.

Day 2 Winnipeg to Churchill | Flight + Cultural & Heritage Tour

This morning head to the airport for a flight to Churchill via the shuttle. A Lazy Bear Lodge guide will meet you upon arrival at Churchill Airport and transfer you to the lodge, where you will check in and meet your hosts for the next few days. After settling, embark on a cultural and heritage tour which takes you to Churchill and the surrounding area where you will be exploring various historic sites such as Cape Merry and the polar bear "jail" for bears needing to be relocated away from town. (Breakfast, lunch & dinner included today)

Day 3 Churchill | Coastal Polar Bear Viewing Cruise

After breakfast, depart on a full-day tour by boat to see the polar bears along the coast of Hudson Bay and other local river estuaries. These magnificent creatures can be seen in various areas, swimming in the water or cooling off on the rocks! (Breakfast, lunch box & dinner included today)

Day 4 Churchill | Beluga Whale Cruise

Take to the water again on a Beluga Whale Boat Tour in search of the ivory-colored beluga whales. Also included is a walking tour of the historic Prince of Wales Fort, giving you a taste of the region's past. (Breakfast, lunch & dinner included today)
