INTRODUCTION

Fresh salt air, sandy beaches, rocky coves, cosmopolitan cities, remote lighthouses, rich history, warm hospitality, rustic fishing villages, succulent seafood, unspoiled nature, varied activities, first-rate facilities and travel routes. All of these things and more make Canada's Maritime Provinces one of the world's most popular destinations. Beginning in Nova Scotia and traveling for 23 days through all the Atlantic provinces to Newfoundland & Labrador, this comprehensive tour features the best of "the Far East of the Western World". Travel from the northernmost tip of the island of Newfoundland to the most easterly point in North America through national parks – including Gros Morne, a UNESCO World Heritage Site. Learn of ancient peoples – the Maritime Archaic, Vikings, and Basques – as you travel to coastal fishing communities to meet the friendly and hospitable people of today. Boat tours provide the opportunity to see whales, thousands of seabirds, and, depending on the time of the year, icebergs!
