## DETAILED ITINERARY

### Day 1 Vancouver to Whitehorse | Flight • Aurora Viewing

Depart from Vancouver South Terminal for your short flight to Whitehorse. Upon arrival, you will be greeted at the airport and transferred to Northern Lights Resort & Spa. This afternoon, take your time to familiarize yourself with the lodge by using the resort facilities such as the outdoor hot tub, spa or lounge area. If you're feeling adventurous, you can also grab some snowshoes and enjoy a self-guided hike.

### Days 2 – 4 Northern Lights Resort & Spa | Sightseeing • Aurora Viewing

Over the next few days, experience the vibrant colors of fall, with golden hues of yellow, orange, and red around every corner. Discover the Southern Lakes Region, marveling at the turquoise-green waters of Emerald Lake and Carcross Desert, the 'world's smallest desert.' Once called 'Caribou Crossing' for the migrating caribou herds, Carcross is rich in culture. Also enjoy a tour of Whitehorse led by an expert local guide. Beginning at the SS Klondike on the Yukon River, board the historic paddle wheeler central to the Klondike Gold Rush. Follow the river to the wooden fish ladder, to spot salmon, and Miles Canyon's to take in the rapids rushing below cliffs. In town, admire murals depicting regional history and culture, before ending at the Old Log Church, Whitehorse's oldest building.

End your day under star-filled skies, chasing the mesmerizing Northern Lights. Whether with s'mores and hot chocolate by the bonfire or in the comfort of your private chalet, the night will end with a stunning show. (Breakfast, lunch and dinner is included)

### Day 5 Whitehorse to Vancouver | Flight

After breakfast, take some time at the lodge for one last spa treatment before checking out. Transfer back to Whitehorse airport and board your flight back to Vancouver as you bid goodbye to the Yukon. (breakfast included today)
