DETAILED ITINERARY

Day 1 St. John's | Arrival

Upon your arrival in St. John's, you will be met and transferred to Murray Premises Hotel in downtown St. John's. Located within a National Historic Site on St. John's waterfront, this hotel features contemporary rooms with character. With exposed wooden beams and brick walls, each room is distinct and comfortable.

Day 2 St. John's | Private Sightseeing Historic St. Johns & Cape Spear

Today become acquainted with the city of St. John's and its surroundings, including Cape Spear, the most Easterly point in North America. This is the oldest colonized region in the new world and your local guide will regale you with its steeped history, legends & lore - all flavoured with their personal anecdotes and good humour from which Newfoundlanders are so famous. Enjoy the brilliant vistas from Cabot Tower and Signal Hill, one of the most recognizable skylines in Canada. Walk through a cliffside World War II gun battery, watch for whales and seabirds and visit the oldest standing lighthouse in North America. Other stops include Quidi Vidi Village, Jelly Bean Row, Government House, the Roman Catholic Basilica and an orientation of the shops and restaurants of the downtown core.

Day 3 St. John's to Fogo Island Inn | Private Charter Helicopter

Depart St. John's today by private helicopter transfers to Fogo Island Inn, including airport transfer. This scenic 75 minute helicopter transfer will take you over the Bonavista Peninsula and across Hamilton Sound. Between June and July, icebergs can be seen floating in the water north of the mainland. Upon arrival, you will be met by Fogo Island staff to the Inn.

Set amongst the rugged landscape on the ancient rocks of the Back Western Shore, Fogo Island Inn stands out like a beacon in the rocks and offers a sense of hospitality and welcome that only a tiny island can. By bringing together a rich culture, history and people, the Inn offers an experience unlike any other, anywhere.

Day 4 - 5 Fogo Island Inn

Fogo Island is big and small—big enough to be interesting, yet small enough to get to know. It has been called a welcoming wilderness. Each of the seven seasons provides a different perspective for getting to know the island and perhaps yourself. With hot summers, snowy winters, spectacular ice season, hopeful spring, trap berth season and the world's best berry picking in the fall. Beyond three meals a day that are catered to suit your personal preferences, the Inn offers afternoon tea, snacks, a daybreak service at the rise of the sun and if you would like to eat anywhere else on the island, they'll take care of that too.

All Seasons

There many things to do that can be enjoyed all year-round. Explore the Backwestern Shore, take walks with Make and Break – the Inns Newfoundland dogs, enjoy boatbuilding orientations, craft programs, stargazing, a trip to Change Island, card playing, a day with the chef, bread making and Fogo Island Inn architecture. Exercise in the fitness room, relax and recharge in the rooftop sauna, surrender to the library, read by the fire, partake in an immersion in art, learn about outport furniture traditions and visit the very special Oliver's Cove.
