INTRODUCTION

Simply a city like no other, Vancouver effortlessly combines the excitement and energy of a modern city with the invigorating appeal of the great outdoors. No day in this city is typical: start with a waterfront breakfast at Granville Island Public Market and end with a sunset cocktail on a mountain-top patio. In between, paddle out on a kayaking adventure, and shop a neighborhood or two. It's truly a "city of nature," with stunning views of temperate rainforest and majestic peaks reflected on glass skyscrapers; sparkling with sophistication and energy, yet relaxed and laidback. In Vancouver, you won't have to choose between city and nature.
