## DETAILED ITINERARY

### Day 1 Vancouver to Whitehorse | Flight + Aurora Viewing

Depart from Vancouver South Terminal for your short flight to Whitehorse. Upon arrival, you will be greeted at the airport and transferred to your hotel.

### Day 2 Wildlife & Hot Springs Tour + Aurora Viewing

After a morning at leisure, visit the Yukon Wildlife Preserve to see Canada's iconic animals in their natural habitats. Admire fuzzy caribou, powerful muskoxen, and majestic elk up close. Then, unwind at the Eclipse Nordic Hot Springs, surrounded by stunning natural scenery. There, soak in mineral-rich waters while enjoying serene mountain views, perfect for relaxation and rejuvenation. Later this evening, end your day with another spectacular Aurora Borealis show.

### Day 3 Whitehorse to Northern Lights Resort & Spa | Sightseeing + Aurora Viewing

This afternoon, before checking in at the resort, enjoy a tour of Whitehorse led by an expert local guide. Beginning at the SS Klondike on the Yukon River, board the historic paddle wheeler central to the Klondike Gold Rush. Follow the river to the wooden fish ladder, to spot salmon, and Miles Canyon's to take in the rapids rushing below cliffs. In town, admire murals depicting regional history and culture, before ending at the Old Log Church, Whitehorse's oldest building. Then, take a short transfer to the Northern Lights Resort & Spa to settle in for your stay. After a gourmet dinner, watch the aurora dance overhead with your first nightly guided viewing of the Northern Lights. Choose between the resort's communal bonfire, complete with s'mores and hot chocolate, or the privacy of your own chalet, where you can relax among the comfort and magic of the Arctic. (Dinner included today)
